Aspiring Full-Stack Developer | Teaching Assistant | Lead Software Engineer | Leadership Enthusiast

Professional Summary

Aspiring Full-Stack Developer and Teaching Assistant with strong self-learning ability, adaptability, and cross-cultural experience. Experienced in building and maintaining scalable web applications using modern JavaScript frameworks and backend technologies. Comfortable working in Agile environments, mentoring peers, and contributing to projects that combine technical excellence with social impact.

Experience

Teaching Assistant — Web Technology & Internet **Sep 2025 – Present**

Adventist University of Central Africa (AUCA), Kigali

Support undergraduate students in learning HTML, CSS, JavaScript, React, Tailwind CSS, and Spring Boot through practical exercises and full-stack projects. Assist in clarifying complex concepts, reviewing code, and introducing Agile workflows, Git-based collaboration, and deployment fundamentals.

Lead Software Engineer **Nov 2025 – Present**

ChadNova, Kigali

Lead the design and development of web-based platforms with a focus on scalability, reliability, and security. Coordinate technical tasks, mentor junior developers, and align engineering decisions with organizational and community-oriented objectives.

Trainee **2024 – Present**

The Gym Rwanda, Kigali

Develop full-stack applications using React, Node.js, Express, and Tailwind CSS in collaborative team environments. Apply Agile practices such as sprint planning, task decomposition, documentation, and peer code reviews to deliver maintainable software solutions.

Technical Skills

Languages & Frameworks: Java, C#, Python, JavaScript, TypeScript, React, Next.js, Node.js, Express, Spring Boot, Hibernate, Maven

Web & UI: HTML5, CSS3, Tailwind CSS, Responsive Design

Databases & Cloud: PostgreSQL, SQL Server, MongoDB, Firebase, Supabase

Tools: Git, Docker, Postman, Render, Netlify, Vercel, VS Code, IntelliJ

Soft Skills: Leadership, Mentorship, Communication, Problem Solving

Education

BSc in Software Engineering — AUCA, Kigali **Jan 2023 – Present**

Baccalaureate (D — Science) — Lycée Ibnou Cina, Chad **2022**
